Program Learning Outcomes

Learning outcomes represent culminating demonstrations of learning and achievement. In addition, learning outcomes are interrelated and cannot be viewed in isolation of one another. As such, they should be viewed as a comprehensive whole. They describe performances that demonstrate that significant integrated learning by graduates of the program has been achieved.

The graduate has reliably demonstrated the ability to

1. complete all tasks in compliance with pertinent legislation, as well as policing standards, regulations and guidelines.
2. analyze all relevant information and make effective and legally defensible decisions in accordance with ethical and professional standards.
3. be accountable for one's actions when carrying out all tasks.
4. develop and implement ongoing effective strategies for personal and professional development.
5. ensure the respect of human rights and freedoms in all interactions.
6. work co-operatively in multidisciplinary teams to achieve mutual goals.
7. collaborate in the development and implementation of community policing strategies.
8. monitor, evaluate and document behaviours, situations and events accurately and discreetly in compliance with legal, professional, ethical and organizational requirements.
9. mitigate risks and maintain order by applying effective strategies in crisis, conflict and emergency situations.
